JAXON ANNOUNCES ADOPTION OF ADVANCE NOTICE POLICY

January 23, 2019, Vancouver, Canada - Jaxon Mining Inc. (TSXV: JAX) (FSE: OU31) (OTC: JXMNF) ("Jaxon" or the "Company") announces the approval and adoption by its Board of Directors of an advance notice policy (the "Policy"). The purpose of the Policy is to provide shareholders, directors and management of the Company with a clear framework for nominating directors. The Company is committed to: (i) facilitating an orderly and efficient process for the election of directors at annual general and special meetings; (ii) ensuring that all shareholders receive adequate notice of the director nominations and sufficient information regarding all director nominees; and (iii) allowing shareholders to register an informed vote after having been afforded reasonable time for appropriate deliberation. The Policy is intended to further these objectives.

The Policy, among other things, includes a provision that requires advance notice to the Company in certain circumstances where nominations of persons for election to the Board of Directors are made by shareholders of the Company. The Policy fixes a deadline by which director nominations must be submitted to the Company prior to any annual or special meeting of shareholders and sets forth the information that must be included in the notice to the Company. No person will be eligible for election as a director of the Company unless nominated in accordance with the Policy.

In the case of an annual general meeting of shareholders, notice to the Company must be made not less than 30 days and not more than 65 days prior to the date of the annual general meeting; provided, however, that, in the event that the annual general meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement.

In the case of a special meeting of shareholders called for the purpose of electing directors (whether or not called for other purposes), notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

The full text of the Policy is available under the Company's profile at www.sedar.com.

The Policy is in effect as at the date of this news release. Pursuant to the terms of the Policy, the Company will seek shareholder ratification of the Policy at its next annual general meeting of shareholders dated March 8, 2019.

About Jaxon Mining Inc.

Jaxon is a precious and base metals exploration company with a regional focus on Western Canada. The Company is currently focused on advancing its Red Springs Project in north-central British Columbia and

the More Creek Project (consolidating the Wishbone and Foremore properties) in British Columbia's Golden Triangle.
