("**Jaxon**" or the "**Corporation**") will be holding its Annual General Meeting (the "**Meeting**") by video conference.

Registered shareholders and duly appointed proxy holders may participate in the meeting via a live video conference. Registered shareholders and duly appointed proxy holders will be able to ask questions of management via the live video conference at the conclusion of the Meeting.

SOLICITATION OF PROXIES

This Information Circular (the "**Circular**") and the form of proxy, which accompanies this Circular (the "**Proxy**") is furnished to you in connection with the solicitation of proxies by management (the "**Management**") of Jaxon Mining Inc. ("**Jaxon**" or the "**Corporation**") for use at the Annual General Meeting (the "**Meeting**") of the shareholders of the Corporation to be held on Friday, December 4, 2020 for the purposes set forth in the accompanying Notice of Meeting (the "**Notice of Meeting**"), and at any adjournment thereof. The Corporation will conduct its solicitation primarily by mail and our officers, directors and employees may, without receiving special compensation contact shareholders by telephone, electronic means or personal contact. We will not specifically engage employees or a soliciting agent to solicit proxies. We do not reimburse shareholders, nominees or agents (including

brokers holding shares on behalf of clients) for their costs of obtaining authorization from their principals to sign the Proxy. We will pay expenses of this solicitation.

COMPLETION AND VOTING OF PROXIES

The persons named as proxyholders in the enclosed Proxy are directors and/or executive officers of the Corporation. **As a shareholder or an intermediary holding shares and acting on behalf of an unregistered shareholder you have the right to appoint a person (who need not be a shareholder) to attend and act on your behalf at the Meeting other than the persons named in the proxy as proxyholders. To exercise this right, you or the intermediary must strike out the names of the persons named in the proxy as proxyholders and insert the name of your nominee in the space provided or complete another proxy.**

A shareholder or intermediary acting on behalf of a shareholder may indicate the manner in which the persons named in the enclosed Proxy are to vote with respect to any matter by checking the appropriate space. On any poll required by request of the chair of the Meeting or a shareholder or proxyholder requesting a poll, those persons will vote or withhold from voting the shares in respect of which they are appointed in accordance with the directions, if any, given in the Proxy provided such directions are certain.

If you or an intermediary acting on your behalf wishes to confer a discretionary authority with respect to any matter, then the space should be left blank. **In such instance, the Proxyholders nominated by Management will vote your shares in accordance with their judgment.** The enclosed Proxy, when properly signed, also confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may be properly brought before the Meeting. At the time of printing this Circular, our management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. If, however, other matters which are not now known to management should properly come before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their best judgement.

The Proxy must be dated and signed by you or by your attorney authorized in writing or by the intermediary acting on your behalf. In the case of a corporation, the Proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

Completed proxies together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof must be deposited with the Corporation's transfer agent, Computershare Trust Company of Canada, 100 University Avenue, Toronto, Ontario, M5J 2Y1; fax within North America: 1-866-249-7775; fax outside North America: (416) 263-9524, or to the Corporation's head office, at least 48 hours (excluding Saturdays and holidays) before the time of the Meeting or adjournment thereof. Unregistered shareholders who received the proxy through an intermediary must deliver the proxy in accordance with the instructions given by such intermediary.

REVOCATION OF PROXIES

You or an intermediary acting on your behalf who has been given a Proxy may revoke it at any time before it is exercised. Revocation can be effected by an instrument in writing signed by the intermediary or shareholder or his attorney authorized in writing, and, in the case of a corporation, executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation and delivered to the registered and records office of the Corporation at 400 – 725 Granville Street, Vancouver, British

Columbia, V7Y 1G5, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof. The Proxy may also be revoked in person at the Meeting, to the chair of the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No director or executive officer of the Corporation or any proposed nominee of Management of the Corporation for election as a director of the Corporation, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, since the beginning of the Corporation's last financial year in matters to be acted upon at the Meeting, other than the election of directors and the appointment of auditors.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Voting of Common Shares – General

The Corporation has only one class of shares entitled to be voted at the Meeting, namely, common shares without par value. All issued and outstanding common shares are entitled to be voted at the Meeting and each common share has one vote. As of October 30, 2020, there are 125,951,684 common shares issued and outstanding.

Persons who are registered shareholders at the close of business on October 30, 2020, will be entitled to receive notice of, attend and vote at the Meeting or any adjournment thereof.

Voting at the Meeting will be by a show of hands, each shareholder having one vote, unless a poll is requested in which case each shareholder is entitled to one vote for each share held. In order to approve a motion proposed at the Meeting, a majority of greater than fifty percent of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a special resolution in which case a majority of not less than two-thirds (2/3) or 66⅔% of the votes cast by the Shareholders will be required.

Advice to Beneficial Holders of Common Shares

Only shareholders whose names appear on our records or validly appointed proxy holders are permitted to vote at the Meeting. Most of our shareholders are "beneficial holders" or "non-registered" shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a "**Nominee**"). If you purchased your shares through a broker, you are likely a non-registered shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as "NOBOs". Those non-registered shareholders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as "OBOs".

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting Materials, being the Notice of Meeting, this Circular, and the Proxy directly to NOBOs and to the Nominees for onward distribution to OBOs. **The Corporation does not intend to pay for a Nominee to deliver to OBOs, therefore an OBO will not receive the materials unless the OBO's Nominee assumes the costs of delivery.**

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting materials sent to non-registered holders who have not waived the right to receive Meeting materials are accompanied by a Request for Voting Instructions (a “VIF”), instead of a Proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIFs, whether provided by the Corporation or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the shares of the Corporation which they beneficially own. Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered. **Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request (in writing) to the Corporation or its Nominee, as applicable, without expense to the non-registered holder, that the non-registered holder or his/her nominee be appointed as proxyholder and have the right to attend and vote at the Meeting.**

Principal Holders of Common Shares

To the knowledge of our directors and executive officers, no persons beneficially own, directly or indirectly, or exercise control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of the Corporation which have the right to vote in all circumstances.

ELECTION OF DIRECTORS

Directors are elected at each annual general meeting and will hold office until the next annual general meeting or until that person sooner ceases to be a director. The shareholders will be asked to pass an ordinary resolution to set the number of directors of the Corporation at five for the next year, subject to any increases permitted by the Corporation’s Articles.

The Board adopted an advance notice policy (the “**Advance Notice Policy**”) on January 21, 2019 with effect as of such date. The Advance Notice Policy was confirmed by the shareholders of the Corporation at last year’s AGM held on March 8, 2019. Any additional director nominations for the Meeting must have been received by the Corporation no later than the close of business on November 4, 2020. No such nominations have been received as of the date of this Circular. If no such nominations are received by the Corporation prior to such date, management’s nominees for election as directors set forth below will be the only nominees eligible to stand for election at the Meeting. Management proposes to nominate the persons named in the table below for election as directors. Management does not contemplate that any of these nominees will be unable to serve as a director.

Unless you provide other instructions, the enclosed proxy will be voted for the nominees listed below. If before the Meeting any vacancies occur in the list of nominees listed below, the person named in the proxy will exercise his or her discretionary authority to vote the shares represented by the Proxy for the election of any other person or persons as directors.

The information concerning the proposed nominees has been furnished by each of them.

Oversight and Description of Director and Named Executive Officer Compensation

Director Compensation

The Board determines director compensation from time to time. Directors are not generally compensated in their capacities as such but the Corporation may, from time to time, grant to its directors incentive stock options to purchase common shares in the capital of the Corporation pursuant to the terms of the Stock Option Plan and in accordance with the policies of the TSX Venture Exchange.

Named Executive Officer Compensation

The Board determines executive compensation from time to time. The Corporation does not have a formal compensation policy, but the Board is responsible for review the adequacy and form of compensation paid to the Corporation's executives and ensuring that such compensation realistically reflects the responsibilities and risks of such positions. In fulfilling its responsibilities, the Board evaluates the performance of the CEO and other senior management in light of corporate goals and objectives and makes recommendations with respect to compensation levels based on such evaluations. The main objectives the Corporation hopes to achieve through its compensation are to attract and retain executives critical to the Corporation's success, who will be key in helping the Corporation achieve its corporate objectives and increase shareholder value. The Corporation looks at industry standards when compensating its executive officers.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Corporation has an incentive stock option plan under which stock options are granted. Stock options have been determined by the Corporation's directors and are only granted in compliance with applicable laws and regulatory policy. The policies of the TSX Venture Exchange (the "Exchange") limit the granting of stock options to employees, officers, directors and consultants of the Corporation and provide limits on the length of term, number and exercise price of such options. The Exchange also requires annual approval of rolling stock option plans by shareholders. The Corporation will propose

that the renewal of its rolling stock option plan be approved by shareholders at the Meeting. See below under “Particulars of Matters to be Acted On - Approval of Incentive Stock Option Plan”.

The following table provides information as of the Corporation’s most recently completed financial year ended January 31, 2020 regarding the number of common shares to be issued pursuant to the Corporation’s Stock Option Plan. All members of the Audit Committee or proposed members of the Audit Committee have the education and practical experience required to understand and evaluate financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Corporation's financial statements.

Audit Committee Oversight

Since the commencement of the Corporation's most recently completed financial year, the Corporation's Board of Directors has adopted all recommendations of the Audit Committee regarding the nomination and compensation of the external auditor.

Reliance on Certain Exemptions

Since the commencement of the Corporation's most recently completed financial year and the effective date of NI 52-110, the Corporation has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditors, where the total amount of fees related to the non-audit services are not expected to exceed five percent of the total amount of fees payable to the auditor in the financial year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Pre-Approval Policies and Procedures

The Corporation has not adopted specific policies and procedures for the engagement of non-audit services. The Audit Committee will review the engagement of non-audit services as required.

External Auditor's Fees

Set forth below are certain details of certain service fees paid to the Corporation's external auditor in each of the last two financial years:

Financial Year End	Audit Fees⁽¹⁾/ Audit Related Fees⁽²⁾	Tax Fees and Tax Related Fees⁽³⁾	All Other Fees⁽⁴⁾	Total
2020	\$18,726	1,750	\$Nil	\$20,476
2019	\$21,020	2,400	\$Nil	\$23,420

- (1) "Audit Fees" means the aggregate fees billed by the Corporation's external auditor in each of the last two financial years for audit services.
- (2) "Audit-Related Fees" means the aggregate fees billed in each of the last two financial years for assurance and related services by the Corporation's external auditor that are reasonably related to the performance of the audit or review of the issuer's financial statements and are not reported under clause (a) above.
- (3) "Tax Fees" means the aggregate fees billed in each of the last two financial years for professional services rendered by the Corporation's external auditor for tax compliance, tax, advice, and tax planning. Specifically the work performed was rendered for the assistance in the preparation of the Corporation's tax returns.
- (4) "All Other Fees" means the aggregate fees billed in each of the last two financial years for products and services provided by the Corporation's external auditor, other than the services reported under clauses Audit-Related Fees, Tax Fees and All Other Fees above.

Exemption

The Corporation is relying on the exemption provided by section 6.1 of NI 52-110 by virtue of the fact that it is a venture issuer. Section 6.1 exempts the Corporation from the requirements of Parts 3 (Composition of the Audit Committee) and 5 (Reporting Obligations) of NI 52-110 and allows for the short form of disclosure of Audit Committee procedures set out in Form 52-110F2 and disclosed in this Information Circular.

CORPORATE GOVERNANCE

National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. The Corporation has reviewed its own corporate governance practices in light of these guidelines and, as prescribed by National Instrument 58-101 *Disclosure of Corporate Governance Practice*, the Corporation discloses the following in accordance with Form 58-101F2:

Board of Directors

The Board of Directors facilitates its independent supervision over management through regular meetings of the Board, both with and without members of the Corporation's management (including members of management who are also directors) being in attendance.

Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship which could, in the view of the Corporation's Board of Directors, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board, at present is composed of five directors, two of whom are executive officers of the Corporation, Mr. John King Burns, who is CEO, and Mr. Yingting (Tony) Guo, who is President, and receive consulting fees and are therefore not considered to be independent; and three of whom are considered to be "independent", as that term is defined in applicable securities legislation. Mr. James Lavigne, Mr. Laurence Stephenson and Ms. Melinda Hsu are considered to be independent directors. In determining whether a director is independent, the Board chiefly considers whether the director has a relationship which could, or could be perceived to, interfere with the director's ability to objectively assess the performance of management.

Directorships

Certain directors of the Corporation and nominees for director of the Corporation are also directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

Name of Director	Other Reporting Issuer (or equivalent in a foreign jurisdiction)
John King Burns	Simba Essel Energy Inc. (TSX.V: SMB)
James Lavigne	Colibri Resource Corp. (TSX.V: CBI)
Yingting (Tony) Guo	Nickel North Exploration Corp. (TSX.V: NNX) CaNickel Mining Limited (TSX.V: CML) Transcontinental Gold Corporation (TSX.V: TCG)

Orientation and Continuing Education

The Board of Directors is responsible for providing orientation for all new recruits to the Board. Each new director brings a different skill set and professional background, and with this information, the Board is able to determine what orientation to the nature and operations of the Corporation's business will be necessary and relevant to each new director. We provide continuing education for our directors as the need arises and encourages open discussion at all meetings, which format encourages learning by the directors.

Ethical Business Conduct

The Board monitors the ethical conduct of the Corporation and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and the Exchange. The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Nomination of Directors

The Board of Directors considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders. The Board takes into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board of Directors does not have a self-standing nominating committee. The Audit Committee discharges the duties of the Nominations Committee and is responsible for recruiting new members to the Board and planning for the succession of Board members.

Compensation

The Audit Committee is responsible for determining all forms of compensation, including long-term incentive in the form of stock options, to be granted to the CEO and CFO of the Corporation and the directors, and for reviewing the CEO's recommendations respecting compensation of the other officers of the Corporation, to ensure such arrangements reflect the responsibilities and risks associated with each position. Please see above under "Executive Compensation" for further information.

Other Board Committees

The Board does not have any committees other than the Audit Committee and Health, Safety and Environment Committee.

Assessments

The Board has not yet adopted formal procedures for assessing the Board, its Audit Committee or individual directors as to their effectiveness and contribution. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by the other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board of Directors monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board.

APPOINTMENT OF AUDITOR

The persons named in the enclosed Proxy will vote for the appointment of Dale Matheson Carr-Hilton Labonte LLP, Chartered Professional Accountants, of Suites 1500-1700 1140 West Pender Street, Vancouver, British Columbia, V6E 4G1, as auditors for the Corporation to hold office until the next annual general meeting of the shareholders, at a remuneration to be fixed by the directors.

MANAGEMENT CONTRACTS

The management functions of the Corporation are performed substantially by the directors and executive officers of the Corporation.

PARTICULARS OF MATTERS TO BE ACTED UPON

Incentive Stock Option Plan

The only equity compensation plan which the Corporation currently has in place is the stock option plan which was approved by the Corporation's shareholders on March 8, 2019 (the "**2019 Plan**"). The 2019 Plan was established to provide incentive to employees, directors, officers, management companies and consultants who provide services to the Corporation. Exchange policy requires that all companies listed on the Exchange adopt a stock option plan if a company wishes to grant options and that all stock option plans that reserve a maximum of 10% of the issued and outstanding share capital of the Corporation at the time of grant (a "**Rolling Plan**"), must be approved and ratified by shareholders on an annual basis. The 2019 Plan was a Rolling Plan and management seeks shareholder approval for renewal of the 2019 Plan, as the Corporation's stock option plan for 2020 (the "**2020 Plan**") in accordance with and subject to the Exchange's rules and policies. The intention of management in proposing the 2020 Plan is to increase the proprietary interest of such persons in the Corporation and thereby aid the Corporation in attracting, retaining and encouraging the continued involvement of such persons with the Corporation.

Shareholders may also obtain copies of the 2020 Plan from the Corporation prior to the meeting on written request.

6. The 2020 Plan otherwise complies with the requirements of Policy 4.4 *Incentive Stock Options* of the Exchange.

Shareholders will be asked to pass the following, ordinary resolution, approving the Corporation's 2020 Plan:
